

BEAUTY PODS

FACIAL SERUM - 30 CAPSULES

Suitable for all skin types, this is a great introduction to active skincare if you haven't ever used ingredients such as retinol before! By encapsulating these high quality ingredients, they preserve their potency, delivering optimum results from the first pod that you open, to the very last! Each biodegradable capsule delivers a single, concentrated dose of this lightweight, silky smooth serum. This innovative blend of ingredients will combat the signs of ageing and leave your skin beautifully hydrated all whilst boosting your natural collagen production!

KEY INGREDIENTS

Ceramides - with proven anti-ageing properties, Ceramides are essentially the glue that holds our skin cells together. They form a protective layer to help prevent moisture loss & visible damage. It is recommended we start using Ceramides in our skincare from our early to mid-twenties!

Vitamin E - known for its wealth of antioxidants, Vitamin E's power is useful for lessening the appearance of fine lines and wrinkles. Vitamin E retains moisture in skin to keep it looking radiant & healthy. Think of this powerhouse ingredient as your skin's first level defence!

Retinyl Palmitate - retinoids are well known to be one of the most powerful topically applied ingredients to address the signs of ageing & improve acne symptoms. It counteracts the appearance of dry, flaky skin. Retinyl Palmitate helps improve the appearance of fine lines & blemishes and helps to promote cell turnover. Suitable for skin new to retinoids or someone with sensitive skin.

Phytosphingosine - this is the skin saviour you've never heard of! With antimicrobial & anti-inflammatory properties, it's helpful in treating acne & inflammatory skin conditions. It also encourages natural moisture production.

Chicory Root Extract - a natural inflammation reducer, containing beta-carotene which increases collagen production. This is an active ingredient to improve the skin barrier function.

INGREDIENTS

DIMETHICONE/VINYL DIMETHICONE CROSSPOLYMER, CYCLOPENTASILOXANE, DIMETHICONOL, TOCOPHEROL, RETINYL PALMITATE, CERAMIDE 3, PHYTOSPHINGOSINE, CICHORIUM INTYBUS ROOT EXTRACT, CAESALPINIA SPINOSA GUM, AQUA

HOW TO

Twist the tab twice and gently tear it off, squeeze the serum onto your fingertips and smooth the serum over your face, neck and décolleté in an upwards motion. For best results, use every evening, after cleansing and toning. Use twice daily if desired.
